

ABDIANSYAH TONE (TESTING ONLY)

STUDENT AT STATE ISLAMIC UNIVERSITY DATOKARAMA PALU

Jl Munif Rahman 1, Kec Silae, Palu Barat | abdiansyahtone@gmail.com | +6282291413018

SUMMARY

Student at the Islamic State University of Datokarama Palu. I have participated in several projects and especially in the system analysis section. Experienced in gathering and documenting requirements, collaborating with cross-functional teams, and contributing to the successful implementation of system solutions. Demonstrated commitment to leveraging academic knowledge in practical settings to drive efficiency and innovation.

EXPERIENCE

System Analyst Of Techno CelebesJan 2024 - Apr 2024

- Requirements Analysis:** Gathered and documented system requirements through stakeholder meetings and research.
- System Design:** Developed functional specifications and design documents to guide the development team.
- Implementation Support:** Assisted in the implementation and deployment of new system features and improvements.
- Testing & Validation:** Conducted system testing to ensure features met requirements and identified areas for optimization.
- User Training:** Provided training and support to end-users, ensuring smooth adoption of new systems and processes.
- Project Collaboration:** Worked closely with cross-functional teams, including developers and project managers, to ensure timely project delivery.

Back End Of Project SIZAHSep 2024 - Oct 2024

- Backend Development:** Created and optimized core application functions to ensure system performance and reliability.
- Error Handling:** Diagnosed and resolved application errors, ensuring minimal downtime and smooth user experience
- Issue Resolution:** Identified and addressed issues during the development phase to prevent project delays.
- Functionality Enhancement:** Developed and implemented new features to improve application capabilities and scalability
- Collaboration:** Worked closely with front-end developers, project managers, and other stakeholders to meet project goals and timelines
- System Testing:** Performed rigorous testing and debugging to ensure all features function correctly across various environments

PROJECTS

SIFEBI (System Information for the Faculty of Economic and Islamic Business)Mar 2024 - Apr 2024

SIFEBI is an information system designed to streamline academic processes for the Faculty of Economics and Islamic Business, facilitating proposal submissions, comprehensive exams, and thesis defenses.

Key Features:

- Proposal Submission:** Online platform for efficient proposal management.
- Comprehensive Exams:** Simplified scheduling and administration.
- Thesis Defense:** Streamlined registration and tracking.

SIFEBI is an information system designed to streamline academic processes for the Faculty of Economics and Islamic Business, facilitating proposal submissions, comprehensive exams, and thesis defenses.

Key Features:

- **Proposal Submission:** Online platform for efficient proposal management.
- **Comprehensive Exams:** Simplified scheduling and administration.
- **Thesis Defense:** Streamlined registration and tracking.

SKILLS

- **Language :** English (Basic), Indonesiam (Native)
- **Hard Skill :** Editing Video, Design Grafis, Junior System Analyst (Techno Celebes), typing 10 fingers at average speed 65WPM
- **Soft Skill :** Team work, Time Manegement, Critical Thinking, Work Under Press

EDUCATION

Bachelor in Information System

Sep 2023 - Now

State Islamic University Datokarama Palu, Palu city, Indonesia

September 2023 - expected june 2026

CERTIFICATIONS

- Basic Learning Data Visualization, Dicoding Indonesia, November 2023
- Starting Programing with python, Dicoding Indonesia, Oktober 2023
- Started basic programing for become Software Developer, Dicoding Indonesia, September 2023
- Introduction Programming Logic 101, Dicoding Indonesia, September 2023
- Basic Learning programming Javascript, Dicoding Indonesia, Juli 2023
- Cloud Practitioner Essentials, Dicoding Indonesia, Apr 2023
- Basic Git & Github, Skilvul, Sep 2024
- CSS Basic, Skilvul, Mar 2023
- HTML Basic, Skilvul, Feb 2023

ACHIEVEMENT

- Runner up Design Poster of K3 Month Commemoration, PT Letawa, Astra Agro Lestari.Tbk, Maret 2020

SOFTWARE

- After Effects
- Visual Code Studio
- Core Draw
